CHRISTMAS TREE PICKUP

Starting Monday, January 3, 2022

Last pickup on Monday, January 31, 2022

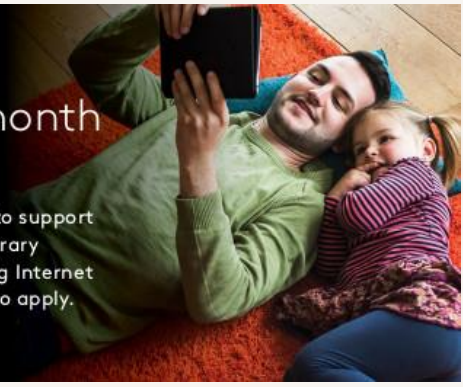
You do not need to call, just put your tree to the curb and our Public Works Crew will be around!

EMERGENCY BROADBAND BENEFIT

You may be eligible for up to $50/month toward your Internet service

As part of our ongoing commitment to digital equity, Comcast is proud to support the Federal Government's Emergency Broadband Benefit (EBB), a temporary benefit program available on all tiers of Xfinity Internet service, including Internet Essentials. We're making it simple for both new and existing customers to apply.

Only eligible households may enroll. Benefit covers up to $75/month in Tribal Lands.



LEAF COLLECTION

From September 15th through December 31st, you will see the Town of Smyrna Public Works crews picking up piles of leaves from curbside with our leaf machine.

The machine will ONLY pick up loose leaves.

Do not include any mixed yard waste material in your piles. Please separate all other yard waste (sticks, brush, and garden clippings) from loose leaf piles and place these into your yard waste container. This allows for the proper recycling of all materials and avoids equipment damage.

DO NOT pile leaves in the street or around fire hydrants.

Place loose leaf piles at the edge of your property, but not in the gutter or road. Leaves in the road can become a traffic hazard. When it rains, leaves will plug catch basins, causing dangerous road conditions and flooding.
