

Smyrna Police Department Town of Smyrna Trick or Trick Safe Zone

When: Wednesday October 31, 2018 6 p.m. to 8 p.m.

Where: Market Street Plaza and John Bassett Moore Intermediate School

The purpose of this event is to bring together the downtown community of churches, businesses, and residences who pass out candy on Halloween to our little citizens. Safety is paramount to us, and we can provide it to our trick or treaters in the downtown area by providing road closures and a well lit area for the children to run around safely in one central location. The event will take place during normal trick or treating hours, and we will organize it so it runs as smooth as possible. To make the event fun, we are going to host a decorating contest for your vehicle or table. A trophy (total of 3) will be given to the scariest (please no weapons (real or fake) and no power tools or lawn equipment), best overall decorated, and most creative.

This event is free for you to sign up to pass out candy and free to the public to come trick or treating so expect a large amount of participants!
