5. Purchase of the Downtown Street Lamp Banners – The first two banners on Main Street and on Rt 13 have all been hung. There are three additional banners that have been designed for Main Street and the Board has enough funds to do at least one more banner set this year. The board has asked Carol to reach out to the SDRA to see if they would be willing to fund a second set this year with the hope of having them ordered and ready to install by September
6. Autumn at Duck Creek – Set for November 1<sup>st</sup> and 2<sup>nd</sup>. Some of the car clubs have said they don't do any events after October 31<sup>st</sup> so might not be able to participate. The locations have been secured and we are just needing to confirm car clubs or other attractions so there is a draw for the Saturday portion of the weekend.
