

This year's 2-week event will occur from Monday October 19th to Saturday 24th and then Monday October 26th to Saturday October 31st.

We will be trying something new, by offering two (2) Saturday drop off days. On the 24th and 31st, from 8 a.m. to 12 p.m., our Public Works yard will be open. They are located in the Smyrna Business Park at 230 Artisan Dr.

If you decide to leave items at the curb, make sure they are out prior to the 30th. Anything placed at the curb after the 30th, will not be collected.

Again, this year's event will be Monday-Saturday, 10/19-24 and 10/26-31 with both Saturdays being a drop off at 230 Artisan Dr from 8a-12p

Everyday household items will be collected except for:

- Hazardous waste materials
 - Paint, oil, medications, asbestos, full aerosol cans, cleaners, compressed gas, chemicals, perfume, etc.
- Construction materials
 - Insulations, shingles, concrete, lumber, etc.
- Tires
- Other similar items
